

6 Ways to Thank Veterans for their Service > Tangibly! Now!

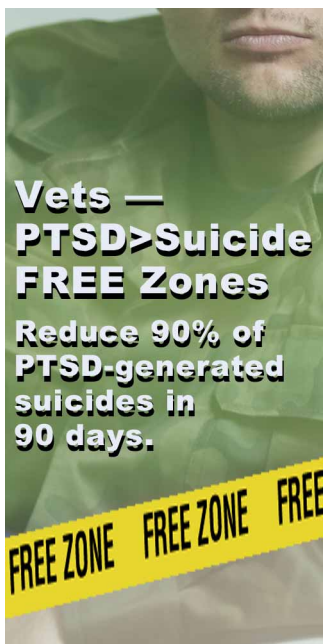

**THANK YOU
FOR YOUR
SUPPORT**

VETERAN: Name of Veteran

TO ATTEND: Title of Topic (#1–#6)

FROM: Sponsor's Name (anonymous, if requested)

Individuals = Sponsors Underwrite the price of a "Ticket" — for a Vet to "step back into the real world" (#1–#6). Receive a Thank-You for Your "Support" of those who put their life on the line for you. The Vet will know your name (or anonymous?) →

(1)
Reduce 90% of PTSD suicides in 90 days in a collaborating VAMC's Region (Vets can DIY or be Mentored)
DIY (takes about 3 weeks) includes:

- A) Defusing a Vet's Neuron Axon Disruption
- B) Rerouting a Vet's Neuron Axon Circuitry
- C) Rebooting a Vet's Reptilian Brain's Control Center

Mentored Option: A, B and C, plus 3 Skype-Right-In sessions that improve a Vet's employment options and opportunities by enhancing his/her Ys-Way's **Functional Intelligence**. Functional Intelligence is the requisite aptitude for getting a 4IR² Top-Tier job. (to 6 weeks)

Underwrite: Mentored Option \$96; includes Workbook + S&H via USPS.

(2)
Overture to Ys-UP America!: Three Skype Right-In sessions. Americans NOW have an option they didn't have before: Ys-UP America's Protocols that can prepare them for Top Tier employment in the 21st Century's A.I.-driven "Age of Automation". Ys-UP America! is the only "Portal" to employment in Tiers 3–5 enterprises during the 21st Century 4th Industrial Revolution (4IR).
Underwrite: \$96; includes Workbook + S&H via USPS

(3)
Delivering America's Promise to all Americans: Four Skype-Right-In sessions. To be an American you must believe in the America described in the Preamble of the U.S. Constitution that clearly states why the Constitution was written and the Founding Fathers' intent to create a government "of the People, by the People, for the People" that ensured equal opportunity for all and protected minorities from the whims of the majority, while separating Church from State — **eventually**. (The Founding Fathers knew the Goals of their Constitution were not achievable in their lifetime.)
Underwrite: \$120; includes Playbook + S&H via USPS

(4)
Apt-Ability Test (DIY): Measures Vets potential for "Functional Intelligence". This is the only Science-based test that testifies to an individual's Left-vs-Right brain balance. (The Cerebrum + Cerebral Cortex and their potential to build Functional Intelligence.)
Left: Linear Intelligence > logical > Inference > Cognitive Intelligence > Critical Thinking > Processing. (*Data/Dogma dependent*)
Right: Ambient Intelligence > relational > Consequences > Functional Intelligence > Conceptual-Contextual Thinking > Adaptable. (*Results dependent*)
(Based on Nobel Prize validated Science in Physiology-Medicine, Roger Sperry, Cal Tech 1981)
Underwrite: \$186

(5)
DIY-at-Home Ys-Art Series: A NEW Way of Learning + Thinking > About Doing > Sharing > Collaborating = **Functional Intelligence**. The Ys-Art Series is the back-door to 4IR² Prep: YsUPAmerica.com + Ys-Art Series "Ys-UP > Stand-UP > Speak-UP > know what you are talking about" + Skype-Right-in Factual Forums.
Underwrite: Subscription: 1st 26 weeks \$84; 2nd 26 weeks \$72

Think of this as a TEST —

Are you an American > Patriot? > or > Parasite on the American Body Politic? *Veterans put their life on the Line for you. "Thank you for your service", VA's physical repair services, and wounded Vets survival-level disability payments — don't cut it. Be a Good Samaritan/American and accept your indebtedness to your Protectors/Defenders. Thank veterans — tangibly — Here > NOW!*
