

The “Right Stuff” to build on?

This Profile testifies to your Intellect’s Genetic Balance that creates your “Functional Intelligence” (can-do capabilities), that builds your employment-applicable Mental Acuity (how-to competencies).

Profile Your Intellect’s Genetic Balance

(The only Apt-Ability Test validated by a Nobel Prize in Medicine and Physiology; Roger Sperry, CalTech, 1981)

Your Aptitudes/Attitudes/Perspectives are governed by your X:Y DNA Genetic Intellect.

QUESTIONS

- Answer these 14 questions (put an “X” to mark the spot that best describes you)
 - 1) My school attendance was/is: 0% _____ 100%
 - 2) I took part in student activities: *never* _____ *often*
 - 3) My sense of direction is: *good* _____ *awful*
 - 4) I text and/or tweet: *seldom* _____ *often*
 - 5) I attend religious services: *seldom* _____ *regularly*
 - 6) I attended school sporting events: *seldom* _____ *often*
 - 7) My room/space/desktop is: *neat* _____ *cluttered*
 - 8) Memorizing/Studying is: *easy* _____ *difficult*
 - 9) I tend to be: *tardy* _____ *punctual*
 - 10) I am: *a realist* _____ *an optimist*
 - 11) I learn best by: *doing* _____ *reading how-to do*
 - 12) I have: *a preparing-for-career plan* _____ *no plan*
 - 13) I sometimes feel I don’t get it: *seldom* _____ *often*
 - 14) Being successful in school means you will be successful in life: *yes* _____ *no*
- Your GPA during the last year of school you attended = _____
- List the entertainment/recreation/athletic/sport activities in which you currently participate: Own clothing, equipment or paraphernalia (prioritize). (If necessary, use separate sheet and attach with this completed form.) _____
- Using a copier, make a copy of your hands — palms down, flat on the glass, fingers together — include wrist to past fingertips. (attach with this completed form)
- Physiological Brain Nutrition Level: Blood Oxygen Score ____ / Blood Sugar Score (Glucose) ____
Oxygen is the Brain’s primary source of fuel. Fuel levels influence intelligence. Glucose facilitates the transfer and absorption of nutrients to cells that contact the blood stream and its tributaries. Nourishment dictates physiological efficiency.
Recommended Med Tests: Arterial Blood Gas (ABG); Modified Allen; Ankle-brachial Index; Blood Oxygen Saturation (SpO2)

INSTRUCTIONS

Personal Genetic Intellect-Balance Profile

- Print out this page and fill in the answers.
- FAX completed form to 1-727-266-4461 (a secure FAX line).
- Send \$186 to Scholastic Engineering LLC (via PayPal) to cover the cost of processing. There is a PayPal “Buy Now” button on YsUpAmerica.com — scroll down to “Left/Right Brain Balance”.

DIY for Acquiring/Certifying the Right Stuff

(an exercise in assimilation, not indoctrination):

- Subscribe to our bi-weekly Newsletter: “Ys-UP! > Stand-Up! > Speak-Up! > and Know what you are talking about” (includes Ys-Art kit).
- Locate 2+ friends who would like to collaborate on a Journey to the 21st Century’s 4th Industrial Revolution (4IR) “A.I. – Age of Automation”, Industry 4.0 World, and who might consider joining the 4th Intellectual Reformation (4IR²).
- Proceed through Samplers 1–5 + Apt-Ability Test and earn a “Confirmation of Ys-Ways” (eligible to apply for entry-level SciTech employment).
- Proceed through Protocols A–B–C–D–E and earn a “Certificate of Ys-Ways Capabilities” (eligible to Proctor to \$80/hour)
- * Proceed through Protocol ‘F’ and earn a “Ys-Competencies Credential” (a job, a raise, a promotion reference; eligible to Mentor to \$120/hour; Consult to \$360/hour)
