- **The Societal Teachings of Jesus Christ** via America’s Jefferson Bible.
“Come out from among them and be separate”
(Jesus Christ)
Thomas Jefferson excerpted America’s Founding Fathers perceptions as to the actual teachings of Jesus Christ (49 pages, 1804–1823) from the King James Bible (aka: KJB, 1,100 Pages). Thomas Jefferson wanted to separate the actual teachings of Jesus Christ from the KJB because the KJB was commissioned by King James and his successors for the sole purpose of sanctifying the Devine Rights of Kings and making the King of England the Head of the Church of England and in command/control of HIS Subjects’ spiritual lives. (The basis of Thomas Jefferson’s excerpts was the 1769 version of the KJB and related texts edited by Benjamin Blayney.)
The Teachings of Jesus Christ were the philosophical foundation of the U.S. Declaration of Independence and the source of Societal Principles they codified in the U.S. Constitution. The U.S. Constitution was written/dedicated in a World Economy that was driven-by/dependent-on the Commerce of Slavery. Slavery had become the major labor force as farming replaced hunting as the producer of food about 10,000 years ago (initially slaves were POWs). (Transatlantic slave trade 1440 –1888, 20 million Africans. Primary slave Traders were Catholic/Christian European Nations.)
In fact – Jesus Christ was the Father of Societal/Social-ism. The U.S. Constitution is the codification of Jesus Christ’s Societal/Social-ism Teachings. For more information visit ChurchOfOur FoundingFathers.org.
