

Ys-UP America! Mission Statement

Ys-UP America!

“Resurrecting the Promise of America”

Ys-UP America! — resurrects the “*Promise of America*” as envisioned by our Founding Fathers, whose Vision and Dreams have been washed away by Modern America’s rising tide of Narcissism, Greed and Ignorance. Do America’s Vets know what their fallen comrades died for? **Not** if they graduated from U.S. K-12/16/20 schools.

To be an American you must believe in the America described in the **Preamble of the U.S. Constitution** that clearly states our Founding Fathers’ intent to create a government — “of the People, by the People and for the People” — that ensured equal opportunity for all the People, while protecting minorities from the whims of the majority and maintaining the separation of Church and State (aka: Social-ism *vis-a-vis* the teachings of Jesus Christ. Ref: The Jefferson Bible, available online). For a description of an American, go to Church of Our Founding Fathers at: www.ChurchOfOurFoundingFather.org.

In modern business parlance, the Preamble of the U.S. Constitution is **America’s Mission Statement**. The Text of the Constitution built the legal/political structure/functionality that could achieve the Goals of the Preamble. Any Statute Law that does not support one of the stated Goals in the Preamble to the U.S. Constitution is unconstitutional. (*The Rule of Law*)

The later attached **Bill of Rights and subsequent Amendments** are specific Rights of American citizens. These are the only “Rights” delineated in the U.S. Constitution. “Powers” and “Rights” are not synonymous.

The **Preamble** to the United States Constitution (September 17, 1787)

“**We the People** of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.”

2020 AD: “We are now engaged in a great Civil War testing whether this Nation or any Nation so conceived and so dedicated can long endure.” At the moment (2020) the survival of “Man’s last best Hope” is far from certain. “We shall notably save, or meanly lose, the last best hope of earth.”
